## REPORT TO THE PRESIDENT

The PRESIDENT,  
*The White House.*

SIR: This is a report on the results of the Notice of an Opportunity to File Objections to the amendment to the Code of Fair Competition for the Rayon and Silk Dyeing and Printing Industry, which was issued on February 21, 1935, with the provision that objections against the proposed amendment could be filed any time prior to March 7, 1935. The amendment, which is attached, was presented by the duly qualified and authorized representatives of the Industry complying with statutory requirements.

No objections were received pursuant to Notice of Opportunity to be Heard, Administrative Order No. 172-20.

### PROVISIONS OF THE AMENDMENT

This amendment is the standard approved clause on the examination of books and records.

### FINDINGS

The Deputy Administrator in his final report to the National Industrial Recovery Board on said amendment to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

It finds that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving the standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendment on behalf of the Industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons this amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,  
*Administrative Officer.*

MARCH 15, 1935.

## AMENDMENT TO CODE OF FAIR COMPETITION FOR THE RAYON AND SILK DYEING AND PRINTING INDUSTRY

Amend the Code of Fair Competition for the Rayon and Silk Dyeing and Printing Industry by the deletion of Article IX in its entirety, and substitute therefor a new Article IX, which reads as follows:

Each member of the industry shall keep accurate and complete records of its transactions in the industry whenever such records may be required under any of the provisions of this Code, and shall furnish accurate reports based upon such records concerning any of such activities when required by the Code Authority or the National Industrial Recovery Board. If the Code Authority or the National Industrial Recovery Board shall determine that substantial doubt exists as to the accuracy of any such report, so much of the pertinent books, records and papers of such member as may be required for the verification of such report may be examined by an impartial agency, agreed upon between the Code Authority and such member, or, in the absence of agreement, appointed by the National Industrial Recovery Board. In no case shall the facts disclosed by such examination be made available in identifiable form to any competitor, whether on the Code Authority or otherwise, or be given any other publication, except such as may be required for the proper administration or enforcement of the provisions of this Code.
